Adults will need a fishing license to fish

All personal equipment should be kept in a backpack, duffel bag or suitcase and marked with the camper's name in permanent black marker. All valuables should be locked in a secure box or other container. Cub Scouts may be carrying some of their personal equipment a considerable distance depending on where they are staying in camp. Parents are encouraged to help their son pack lightly and efficiently. Bay-Lakes Council and Cub Scout World, Camp Rokilio is not responsible for lost, damaged or stolen articles.

Please do not bring personal electronic items to camp. This includes (but is not limited to) items such as a Walkman, MP3 player, radio, Personal Gaming System, GPS Unit, laptop computer or a PDA. These items are stolen and damaged easily, and your scout's leaders cannot guarantee the safety of these items. More importantly, these items are a major distraction from your son's camp experience.

Spending Money: The camp operates a fully stocked store that is open for campers to purchase souvenirs, camp equipment, craft projects, snack food and beverages. The cost of merchandise ranges from \$.50 to \$25.00. Parents need to use their own best judgment on the amount of spending money for their son.

Camp Phone Number: 920-894-2594
